HOW YOU CAN GIVE TO THE FUR CIRCLE

(Other Than \$\$)

Wills - In addition to providing for your loved ones, you could donate to KIFE a specific dollar amount, specific property or all of "what's left" in the estate.

Trusts - facilitate the donation of property, consolidate assets for estate administration, create control and provide alternatives for tax-planning.

Retirement Plan - offers several different tax advantages and most can change the beneficiary designation on an IRA, 401(K) or 403(b) without the need for a lawyer.

Life Insurance - one of the simplest ways to make a significant gift, you can name KIFE as a beneficiary to receive all or some of the proceeds of a current or new policy.

Real Estate - If you own a home or property that you no longer want, you can make it a charitable gift to KIFE, avoid capital gains tax, and yet provide favorable income.

Charitable Gift Annuity - This can create a stream of income for you during your lifetime. Funding can come from cash or appreciated assets and you can benefit from an immediate charitable tax deduction and immediate or deferred payments. The payments are for life, meaning you cannot outlive the income.

You can become a part of history today

Pennsylvania's outdoor heritage is world-renowned. Hunting, fishing and trapping are the cornerstones of this historic culture. In the colonial era, furbearing animals were essential for survival. Generations of Pennsylvanians have carried this skilled and regulated profession into the 21st Century. Now it's our turn to preserve this heritage for generations to come.
